

Museum für Zuhause

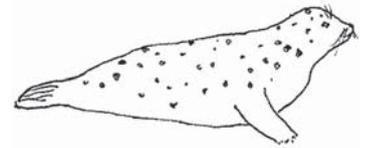

Gestalte Dein eigenes MEERESMUSEUM

So wird es gemacht:

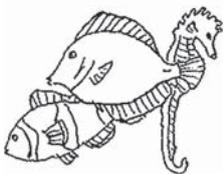

- Male alle Umrissfiguren aus.
- Schneide anschließend alle Umrissfiguren aus.
- Schneide alle drei Teile des Katharinenklosters (Chor Links, Chor Mitte, Chor Rechts) aus und klebe sie an den Klebeflächen zusammen.
- Klebe die ausgemalten Umrissfiguren in die hellblauen Vitrinen.
- Erinnerst Du Dich, was im MEERESMUSEUM in welcher Etage zu finden ist?
